- **The Buddha**
- **and then who?**

General thought

- **Star is only star not hero.**
- **When hero is gotten born hardly via reevaluation process in long historic process, become hero of genuine meaning remaining in our mind that is eternal**

What is a role model?

A person whose behaviors, actions, attitudes, and skills are admired by a developing individual.

Should sports figures be our heroes and/or role models?

- **Sport figures are definitely not heroes because they do not pass the necessary qualifications befitting such a title.**
- **Athletes have person centered achievements **instead of selfless service to mankind.****

- **Athletes are not special people, but they are people with special talents.**
- **Being physically gifted has nothing to do with the other aspects of a persons character teachers, and etc.**

- **Sports figures do not even make great role models because they live a lifestyle totally different from the average person.**
- **The best role models are significant others in a persons' life(Parents, grandparents, iblings, teachers, etc).**

General Thoughts;

- 1. Heros and role models are different entities.**
- 2. Role models are not heros because of a lack of selfless service to society.**
- 3. Sports figures should never be deemed heros based on their sports performances.**

General Thoughts;

- 4. There may be a few athletes who can be considered good role models, but no athletes have demonstrated the qualities of being a hero(most of American's thouhts).**
- 5. OJ Simpson is right - he is not a hero and should not even be made a role model.**

What about him?

Is he your hero?

selfless service, sacrifices, dedication, etc...
